Stacy.leisman@mssm.edu
Tele: 212-241-8198

Clerkship Coordinator: Jennifer Reyes
jennifer.reyes@mssm.edu
Tele: 212-241-2855
Office: Annenberg 13-40

Mission Statement of Clerkship:

The mission of this clerkship is to prepare fourth year medical students for common situations and medical emergencies that may arise during their intern year.

Goals of Clerkship:

To prepare 4th year student for internship.

Objectives of Clerkship:

- To recognize and manage common medical emergencies that arise in all internships
- To improve diagnostic skills integral to internship including laboratory, radiologic, and ECG interpretation
- To learn the fundamentals of common medical and surgical admissions
- To improve upon communication skills integral to a successful intern (e.g. calling consults, communicating with nurses, providing good hand-offs)

By the end of the clerkship students will be able to:

- Communicate effectively with physicians, nurses and patients
