The Institutional Animal Care and Use Committee (IACUC) meets every two weeks to review to review protocols requiring Full Board Review (e.g., AWAR covered species, Radiation Safety, Biosafety, Pain Cat 3 or above and protocols requested by IACUC membership to be reviewed). **For review at a FBR meeting you must submit your application by the submission deadline.**

**Special Note:** If a submission deadline should occur on a weekend or holiday applications will be accepted the next business day. The IACUC reserves the right to move a protocol to the next meeting within the same month where required.
